Shree Jayendrapuri Arts and Science College is the oldest Grant-in-aid College in the Bharuch district lying in the Southern part of Gujarat. The Institution was established in 1955 by H. H Swami Atulanandji Maharaj. It had a humble beginning with a limited number of classrooms and only two courses offered in the Arts discipline in the older part of Bharuch city. The Institution aims at providing affordable quality education to the students of Bharuch district. With the vision to achieve excellence in higher education, empowerment through knowledge, inclusive growth for socio-economic change, sustainable development and preparing students for facing global requirements, the Institution attempts to nurture the competence and creativity in its students through innovations in teaching-learning, research and extension activities, including the adoption and promotion of knowledge output for human development, women's education, optimum use of human infrastructural facilities available, participation of all the stakeholders in the development of the Institution, creation of awareness of human rights, value system, culture, heritage, scientific temper and environment.
